Manitowoc Marina Customer Newsletter May, 2011

On the Bridge

Welcome to the 2011 boating season at Manitowoc Marina! We are off to a slow start due to the weather, but we are once again fully operational. Payment for Season Slips was due April 30th. Those of you that have already paid and returned your 2011 Slip Lease, Thank You! Those of you that have not made arrangements for payment as of yet, please call the office at your earliest convenience.

The combination to the Pier Gates will be 4 7 4 *

Customer Keys now work for the Customers Lounge, Laundromat, Upstairs Restrooms and the Administration Buildings North ground entrance door. The keys are the same as last year, so only new customers need to come to the marina office to pick up customer keys. The first key is no charge, each additional key is \$5.00. Also, the 2011 Customer Parking Passes are now available in the Ship's Store.

Clean Boater Tip Sheet....Enclosed is the Spring Clean Boater Tip Sheet, addressing Antifreeze Collection and Proper Disposal. Discharging antifreeze (ethylene glycol or propylene glycol) into the water is illegal according to the WI DNR. Antifreeze used in the winterizing process should be captured and recycled. Manitowoc Marina has adopted this Best Management Practice as part of the Wisconsin Clean Marina Program, and offers this service to our customers. We also have recycling tanks available for do-it-yourselfers. Please help us keep Lake Michigan clean for future generations. Inquire with the Service Dept. for additional details.

Gas Dock Policy Continued....As in the past, all fuel sales are cash, check or credit card only. We no longer put fuel purchases on the Marina Charge Accounts. We apologize for the inconvenience.

From the Engine Room

We still do not have Spring Launch Contracts from all of our customers. It is imperative that we receive these contracts, with your requested launch date, in order to provide timely service for your vessel. If you haven't sent in a contract, please call Dayna in the Service Center at your earliest convenience. If you have a desire to get your boat in-the-water before Memorial Day, you must act now. **Send in your Spring Launch Contracts today!**
