## Manitowoc Marina Customer Newsletter February, 2011

### On the Bridge

It's that time of year again....**Boat Show Season**....Jack and Gary just got back from the "Strictly Sail" Boat Show at Navy Pier in Chicago. As we have done in past years, we were promoting all Manitowoc Marina Services, plus Mustang Survival Gear, ICOM Radios, Furuno & Raymarine Electronics, WxWorx Satellite Weather, Yacht Brokerage and Sailing Instruction & Charters.

Some of our past Seasonal Dockage Customers have not paid their \$200.00 deposit, insuring their slip for the 2011 Boating Season. All slips are now considered "available" unless we have a deposit holding it for you. The only way to insure that you get the slip of your choice for the 2011 Boating Season is to mail your deposit today. 2011 Slip Leases will be mailed to you next month, so look for yours to arrive then.

### From the Engine Room

The Service Department has several major projects they will be working on before Spring Launch. However, if you are considering an improvement that you would like to have completed in time for the Boating Season, you should give Geno, Gary, Fred or Jack Hall a call to discuss it. We will make every effort to get the work done on a timely basis, as we want to accommodate everyone's needs, so give us a call today.

Before you know it, it will be time to start planning for the upcoming Boating Season. Spring Launch Contracts will be sent out with next month's statements.

### In the Ship's Store

If you are interested in purchasing any WxWorx Satellite Service, Raymarine or Furuno Electronic Systems, please contact Gary directly. We will honor the "Boat Show" pricing, but only until Wednesday, February 12<sup>th</sup>, 2011.
