Manitowoc Marina Customer Newsletter September, 2011

On the Bridge

There's a wind shift ahead....Be sure to watch for the October Customer Newsletter, when we plan to make a major official announcement.

Rate Sheets and a Marina brochure will be mailed out in January and will reflect pricing for 2012 Seasonal Dockage & Winter Storage. We don't expect rates to change for next season.

Speaking of Winter Storage, for all of our "Year-Round" Customers (Winter Storage & Seasonal Dockage), we have extended the additional savings on our services with the "Annual Contract" program. Save 5% (actually higher savings when you look at it on a "time value of money" basis) by making a single payment on/or before September 15th. For additional details on how to take advantage of this offering, please talk with Jack. (Sorry, but this offering does not apply to Indoor Headed Storage Rates.)

Mark your calendars....Our Annual Customer Appreciation Party will be held on Saturday, September 10th. Once again, we are planning a locally caught Fish Fry. We will be serving our customers and friends in the northeast end of the storage building. Check with Kelly for additional details. The entire Marina Crew looks forward to seeing all of you there.

From the Engine Room

We have included a copy of our Winter Haulout & Storage Contract. The sooner you complete and return this Winter Storage Contract, the better your chances are of receiving the haulout date of your choice. Remember, the Winter Storage Haulout Schedule is determined on a first come, first served basis, so please complete your contract and mail it to us today

If you have not stored with us previously, and are planning to this year, give us a call so that we can plan space in the parking lot. In addition, we will move your cradle here **Free of Charge** (limited to 100 mile distance). To make arrangements to have your cradle moved, please call Dayna. All customers with cradles stored here should make sure that they are in serviceable condition and marked with your boats name. With respect to cradles, wood in particular but steel as well, the Marina reserves the right to refuse to use any cradle that is in a state of disrepair.

In the Ship's Store

Be sure to checkout the Post Labor Day Sale, September 9th – 11th. You'll find savings of 25% on Clothing, Shoes and Gifts. Special pricing on winterizing supplies and other products will be offered as well.
